

# WEEK 6

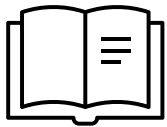

## Stereotyping

---

### Understanding Stereotypes

## This week's challenge

### Read

#### [How to Beat Stereotypes by Seeing People as Individuals](#) (8-minute read)

Zaid Jilani explains the psychology behind stereotypes and strategies for avoiding stereotyping.

#### [9 People Reveal a Time They Racially Stereotyped a Stranger](#) (3-minute read)

After a string of episodes in which Black people were treated unjustly while simply going about their business, the New York Times\* asked readers to tell their stories.

### Watch

#### SPONSORS

## [I Am Not Your Asian Stereotype](#) (9:38)

In this funny and insightful talk, Canwen Xu shares her Asian-American story of breaking and sometimes reaffirming stereotypes.

# Listen

## [Anger: The Black Woman's 'Superpower'](#) (19-minute listen)

This episode of Code Switch examines the pervasiveness of the 'angry Black woman' stereotype and how the stereotype continues to haunt Black women.
