Counties Served: Crawford, Edwards, Jasper, Lawrence, Richland, Wabash

All services are free and confidential

CAISA is a not for profit organization dedicated to helping survivors of sexual violence and significant others reclaim their lives. Services are available regardless of age, gender, race, abilities, spiritual preference, ethnicity or sexual orientation.

Services include:

Counseling: Short and long term counseling/therapy is available for victims and significant others of all ages. It does not matter if the sexual violence is recent or from long ago.

Medical Advocacy: CAISA staff are trained to provide support, information and assistance to victims and their families as they receive medical attention at the hospital.

Legal Advocacy: We provide support when victims choose to file a police report. The legal advocate helps them understand the criminal justice system as their case moves forward. If the case goes to trial, the advocate does court preparation with the victim. CAISA is there through the entire process.

Civil Legal Advocacy: The CAISA advocate can assist clients with preparation of Orders of Protection, Civil No Contact Orders and Stalking No Contact Orders. They can also accompany the client to court.

Referral Services: If a client requires assistance with other needs, CAISA maintains a network of services that provide help.

School Programs: The CAISA Preventionist provides area schools (Pre-K through College) with age appropriate programs on body safety, abusive and healthy dating relationships and awareness. Additionally, programs centered around the prevention of sexual abuse, sexual assault and sexual harassment are offered.

Community Programs: We provide programs for various community organizations and groups. Just give us a call and we will be happy to provide a speaker.

Professional Training: We can provide training/education for staff on issues surrounding sexual assault, sexual abuse and sexual harassment.

CAISA is a satellite agency of Sexual Assault Counseling and Information Service (SACIS). We are a certified rape crisis center and a member of the Illinois Coalition Against Sexual Assault (ICASA). We receive funding from the Victims of Crime Act (VOCA), Violence Against Women Act (VAWA), the State of Illinois, the United Way of Crawford County, and donations. We are a 501(c)3 agency. All donations are tax deductible.
